

LCCCA Patron Information

The **Lebanon County Community Concert Association** is a nonprofit organization founded in 1934, and is made up of individuals and partners who seek to enrich the lives of others through presentations of fine arts performances to the Lebanon Valley communities.

A partnership with *Live on Stage* of Nashville, TN, continues the 83 year tradition of bringing concerts of the highest quality and international acclaim to the area. In addition to artists from *Live on Stage*, LCCCA contracts with local talent to provide the concert audience a diversified genre of music.

We are extremely thankful for the contributions of patrons and sponsors that allow us to continue bringing these professional artists and attractions at an affordable price to the Lebanon Valley. Please consider a tax-deductible gift to LCCCA, so that we can continue to roll out the red carpet and bring you the finest in live performances. With no paid administrators, 100% of your patron gift is used to pay artists, print programs, pay for advertising, and other costs associated with presenting a live concert.

We invite you to be part of this generous group by contacting us at P.O. Box 782, Lebanon, PA 17042 for more information or completing this patron donor form. LCCCA is a tax-exempt, non-profit 501(c)(3) organization – all patron contributions are tax deductible. Donations of over \$250 are acknowledged with a written receipt.
